Erratum

On page 522 of this article, the beginning of the last paragraph, the term Cour de cassation was used instead of Cour d’assises. Cour de cassation refers to the Supreme Court, whereas Cour d’assises is the Criminal Court. The sentence should read as follows:

“The convictions in the Outreau case were appealed to the Cour d’assises (Criminal Court) and the trial opened in Paris in November 2005.”
